## Product Datasheet

### **Anti-3-Phosphoglyceric phosphokinase, biotin conjugated, Saccharomyces cerevisiae, Rabbit, Polyclonal AGR-AS21-4646**

|                          |                                                                                                                                                                                                   |

| Alternativnummer         | AGR-AS21-4646                                                                                                                                                                                     |
| Hersteller               | Agrisera                                                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                                        |
| Applikation              | DOT, ELISA, IF, WB                                                                                                                                                                                |
| Spezies Reaktivität      | Yeast                                                                                                                                                                                             |
| Immunogen                | 3-Phosphoglyceric phosphokinase isolated and purified from<br>Saccharomyces cerevisiae                                                                                                            |
| Konjugation              | biotin                                                                                                                                                                                            |
| Produktbeschreibung      | 3-Phosphoglyceric phosphokinase is an enzyme which generates ATP<br>by catalysing the transfer of a phosphate group from 1,3-<br>diphosphoglycerate to ADP, in glycolysis and gluconeogenesis.... |
| Klonalität               | Polyclonal                                                                                                                                                                                        |
| Reinheit                 | Biotin-conjugated, purified IgG in PBS, pH 7.2.                                                                                                                                                   |
| Formulierung             | Lyophilized                                                                                                                                                                                       |

|                        |                                                         |
|------------------------|---------------------------------------------------------|
| Antibody Type          | Polyclonal Antibody                                     |
| Anwendungsbeschreibung | For reconstitution add 1 ml of sterile, distilled water |
