| Alternativnummer                 | IMU-DKXRB-003-FBIO                                                                                                                                    |
| Hersteller                       | ImmunoReagents                                                                                                                                        |
| Wirt                             | Donkey                                                                                                                                                |
| Kategorie                        | Antikörper                                                                                                                                            |
| Spezies Reaktivität              | Rabbit                                                                                                                                                |
| Immunogen                        | Purified Rabbit IgG, whole molecule                                                                                                                   |
| Konjugation                      | Biotin                                                                                                                                                |
| Format                           | IgG                                                                                                                                                   |
| Spezifität                       | IgG (H+L)                                                                                                                                             |
| Minimale Kreuzreaktivität (MinX) | Bovine,Gallus,Goat,Guinea pig,Hamster (all),Equine,Human,Mouse,Rat,Sheep                                                                              |
| Konzentration                    | 1.50 mg/ml (E 1% at 280 nm = 13.0)                                                                                                                    |

|               |                                                                                          |
|---------------|------------------------------------------------------------------------------------------|
| Puffer        | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2, 1 % (w/v) BSA, Protease/IgG free |
| Reinheit      | Affinity purified antibody is > 95% based on SDS-PAGE                                    |
| Formulierung  | Clear, colorless liquid                                                                  |
| Antibody Type | Secondary Antibody                                                                       |
