### Lamin A Monoclonal Antibody [JOL4] - Horseradish Peroxidase (HRP) / 50ul, Mouse IMQ-IQ657HRP

|                          |                                                                                    |
|--------------------------|------------------------------------------------------------------------------------|
| Artikelname              | Lamin A Monoclonal Antibody [JOL4] - Horseradish Peroxidase (HRP) / 50ul, Mouse    |
| Artikelnummer            | IMQ-IQ657HRP                                                                       |
| Hersteller Artikelnummer | IQ657HRP                                                                           |
| Alternativnummer         | IMQ-IQ657HRP-0.05                                                                  |
| Hersteller               | ImmuQuest                                                                          |
| Wirt                     | Mouse                                                                              |
| Kategorie                | Antikörper                                                                         |
| Applikation              | IHC-Fr, WB                                                                         |
| Spezies Reaktivität      | Human, Mouse                                                                       |
| Immunogen                | Recombinant human lamin A                                                          |
| Produktbeschreibung      | Mouse Anti-Lamin A [HRP]...                                                        |
| Klonalität               | Monoclonal                                                                         |
| Konzentration            | 1mg/ml                                                                             |
| Klon-Bezeichnung         | [JOL4]                                                                             |

|                        |                                                                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P02545</a>                                                                                                                                              |
| Puffer                 | Purified IgG conjugated to Horseradish Peroxidase using Innova Biosciences Lightning?LinkA, supplied in Phosphate buffered saline (PBS) containing 0.01% thimerosal |
| Reinheit               | Protein G                                                                                                                                                           |
| Formulierung           | Purified IgG conjugated to Horseradish Peroxidase using Innova Biosciences LightningLink, supplied in Phosphate buffered saline (PBS) containing 0.01% thimerosal   |
| Target-Kategorie       | Lamin A                                                                                                                                                             |
| Antibody Type          | Monoclonal Antibody                                                                                                                                                 |
| Application Verdünnung | Optimal antibody dilution should be determined by titration                                                                                                         |
