## Product Datasheet

### **Phospho-Estrogen Receptor alpha (Ser104) Antibody, Unconjugated, Rabbit, Polyclonal AFB-AF3059**

|                          |                                                                                                                                                                |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-Estrogen Receptor alpha (Ser104) Antibody, Unconjugated, Rabbit, Polyclonal                                                                            |
| Artikelnummer            | AFB-AF3059                                                                                                                                                     |
| Hersteller Artikelnummer | AF3059                                                                                                                                                         |
| Alternativnummer         | AFB-AF3059-100,AFB-AF3059-200                                                                                                                                  |
| Hersteller               | Affinity Biosciences                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                     |
| Applikation              | ICC, IF, IHC, WB                                                                                                                                               |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                              |
| Immunogen                | A synthesized peptide derived from human Estrogen Receptor- alpha around the phosphorylation site of Ser104.                                                   |
| Konjugation              | Unconjugated                                                                                                                                                   |
| Klonalität               | Polyclonal                                                                                                                                                     |
| Reinheit                 | The antibody is from purified rabbit serum by affinity purification via sequential chromatography on phospho-peptide and non-phospho-peptide affinity columns. |
| Formulierung             | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                                                             |

|                        |                                                     |
|------------------------|-----------------------------------------------------|
| Antibody Type          | Primary Antibody                                    |
| Application Verdünnung | WB 1:500-1:2000, IHC 1:50-1:200, IF/ICC 1:100-1:500 |
