### LYVE1 Antibody, Unconjugated, Rabbit, Polyclonal AFB-AF4202

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | LYVE1 Antibody, Unconjugated, Rabbit, Polyclonal                                                                                     |
| Artikelnummer            | AFB-AF4202                                                                                                                           |
| Hersteller Artikelnummer | AF4202                                                                                                                               |
| Alternativnummer         | AFB-AF4202-100,AFB-AF4202-200,AFB-AF4202-50                                                                                          |
| Hersteller               | Affinity Biosciences                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | IHC, WB                                                                                                                              |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                                                                            |
| Immunogen                | A synthesized peptide derived from human LYVE1, corresponding to a region within the internal amino acids.                           |
| Konjugation              | Unconjugated                                                                                                                         |
| Klonalität               | Polyclonal                                                                                                                           |
| Reinheit                 | The antiserum was purified by peptide affinity chromatography using SulfoLink(TM) Coupling Resin (Thermo Fisher Scientific).         |
| Formulierung             | Supplied at 1.0mg/mL in phosphate buffered saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, 150mM NaCl and glycerol. |
| Antibody Type            | Primary Antibody                                                                                                                     |
| Application Verdünnung   | WB 1:500-1:1000, IHC 1:50-1:200                                                                                                      |
