| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, FC, IF, IHC, WB                                                                                                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant fragment (around aa 142-240) of human CR2 (CD21) protein (exact sequence is proprietary)                                                                                                                                                          |
| Produktbeschreibung      | Recognizes a protein of 140kDa, which is identified as the complement receptor 2 (CR2) or CD21. This protein is expressed strongly on mature B cells, follicular dendritic cells and weakly on immature thymocytes and T lymphocytes. In B-cell ontogeny, ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [CR2/2754]                                                                                                                                                                                                                                                    |
| Molekulargewicht         | 140kDa                                                                                                                                                                                                                                                        |

|                        |                                                                                                                                                                                                                                                                |
