| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant full-length human ROR gamma T protein                                                                                                                                                                                                             |
| Produktbeschreibung      | Retina-associated orphan receptors (RORs) contains three subtypes: ROR, ROR, and RORve OO. They are widely distributed in body tissues, and most of them can directly enter the nucleus to regulate the transcription of target genes, thus showing differ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [RORC/8132R]                                                                                                                                                                                                                                                  |
| Molekulargewicht         | 55kDa                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">6097</a>                                                                                                                                                                                                                                          |

|                        |                                                                                                                                                                                                                                                                |
