| Applikation              | ELISA, IHC                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                          |
| Immunogen                | A recombinant fragment (around aa 257-377) of human TYRP1 protein (exact sequence is proprietary)                                                                                                                                                              |
| Produktbeschreibung      | It reacts with a 75kDa melanocyte-specific gene product, identified as Tyrosinase-related protein-1 (TRP-1). It is involved in melanin synthesis. TRP1 is present on the melanosomal membranes of melanoma, normal melanocytes and nevi. Recent evidence su... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                     |
| Klon-Bezeichnung         | [TYRP1/3283]                                                                                                                                                                                                                                                   |
| Molekulargewicht         | 75kDa                                                                                                                                                                                                                                                          |

|                        |                                                                                                                                                                                                                                                                |
