| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FC, IF, IHC, WB                                                                                                                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant fragment of human Ubiquitin protein (around aa 1-119) (exact sequence is proprietary)                                                                                                                                                             |
| Produktbeschreibung      | Ubiquitin is a highly conserved and plays an essential role in the ubiquitin-proteasome pathway. In ubiquitination process, it is first activated by forming a thiol-ester complex with the activation component E1, which is then transferred to ubiquiti... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [UBB/1748]                                                                                                                                                                                                                                                    |
| Molekulargewicht         | 9kDa                                                                                                                                                                                                                                                          |

|                        |                                                                                                                                                                                                                                                                |
