## Product Datasheet

### Rabbit IgG anti-Dog IgG (H+L)-FITC, MinX none ROC-604-4202

|                                  |                                                         |
|----------------------------------|---------------------------------------------------------|
| Artikelname                      | Rabbit IgG anti-Dog IgG (H+L)-FITC, MinX none           |
| Artikelnummer                    | ROC-604-4202                                            |
| Hersteller Artikelnummer         | 604-4202                                                |
| Alternativnummer                 | ROC-604-4202                                            |
| Hersteller                       | Rockland Immunochemicals                                |
| Wirt                             | Rabbit                                                  |
| Kategorie                        | Antikörper                                              |
| Applikation                      | FLISA,FACS,IF                                           |
| Spezies Reaktivität              | Canine                                                  |
| Immunogen                        | Dog IgG whole molecule                                  |
| Konjugation                      | FITC                                                    |
| Format                           | IgG                                                     |
| Spezifität                       | IgG (H+L)                                               |
| Minimale Kreuzreaktivität (MinX) | no cross-adsorbtion                                     |
| Klonalität                       | Polyclonal                                              |
| Konzentration                    | 2.0 mg/mL by UV absorbance at 280 nm                    |
| Puffer                           | 0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                    |
| Target-Kategorie       | Dog                                                                                                                                                                                                                                                            |
| Antibody Type          | Secondary Antibody                                                                                                                                                                                                                                             |
| Application Verdünnung | FLISA: 1:10,000 - 1:50,000, Flow Cytometry: 1:500 - 1:2,500, IF Microscopy: 1:1,000 - 1:5,000                                                                                                                                                                  |
| Anwendungsbeschreibung | This product is designed for immunofluorescence microscopy, fluorescence based plate assays (FLISA) and fluorescent western blotting. This product is also suitable for multiplex analysis, including multicolor imaging, utilizing various commercial platfor |
