### Dog IgG Fc Antibody Biotin Conjugated, Rabbit, Polyclonal ROC-604-4603

|                          |                                                                             |
|--------------------------|-----------------------------------------------------------------------------|
| Artikelname              | Dog IgG Fc Antibody Biotin Conjugated, Rabbit, Polyclonal                   |
| Artikelnummer            | ROC-604-4603                                                                |
| Hersteller Artikelnummer | 604-4603                                                                    |
| Alternativnummer         | ROC-604-4603                                                                |
| Hersteller               | Rockland Immunochemicals                                                    |
| Wirt                     | Rabbit                                                                      |
| Kategorie                | Antikörper                                                                  |
| Spezies Reaktivität      | Canine                                                                      |
| Immunogen                | Dog IgG F(c) fragment                                                       |
| Konjugation              | Biotin                                                                      |
| Klonalität               | Polyclonal                                                                  |
| Konzentration            | 1.65 mg/mL by UV absorbance at 280 nm                                       |
| Puffer                   | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                  |
| Formulierung             | Lyophilized                                                                 |
| Target-Kategorie         | Dog                                                                         |
| Antibody Type            | Secondary Antibody                                                          |
| Application Verdünnung   | ELISA: 1:20,000 - 1:100,000, IHC: 1:1,000 - 1:5,000, WB: 1:2,000 - 1:10,000 |

|                        |                                                                                                                                                                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | This product has been assayed against 1.0 ug of Dog IgG in a standard capture ELISA using Peroxidase Conjugated Streptavidin S000-03 and ABTS (2,2-azino-bis-[3-ethylbenthiazoline-6-sulfonic acid]) code ABTS-100 as a substrate for 30 minutes at room t |
