| Artikelname                      | Donkey IgG anti-Human IgG (H+L)-Biotin, MinX<br>Bo,Ck,Go,Gp,Hm,Ho,Ms,Rb,Rt,Sh, Polyclonal |
| Artikelnummer                    | ROC-609-706-123                                                                           |
| Hersteller Artikelnummer         | 609-706-123                                                                               |
| Alternativnummer                 | ROC-609-706-123                                                                           |
| Hersteller                       | Rockland Immunochemicals                                                                  |
| Wirt                             | Donkey                                                                                    |
| Kategorie                        | Antikörper                                                                                |
| Applikation                      | ELISA,IHC,WB                                                                              |
| Spezies Reaktivität              | Human                                                                                     |
| Immunogen                        | Human IgG whole molecule                                                                  |
| Konjugation                      | Biotin                                                                                    |
| Format                           | IgG                                                                                       |
| Spezifität                       | IgG (H+L)                                                                                 |
| Minimale Kreuzreaktivität (MinX) | Bovine,Gallus,Goat,Guinea pig,Hamster (all),Equine,Mouse,Rabbit,Rat,Sheep                 |
| Klonalität                       | Polyclonal                                                                                |
| Konzentration                    | 1.0 mg/mL by UV absorbance at 280 nm                                                      |

|                        |                                                                                                                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                                                                                                                   |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                  |
| Target-Kategorie       | Human                                                                                                                                                                                                                                                        |
| Antibody Type          | Secondary Antibody                                                                                                                                                                                                                                           |
| Application Verdünnung | ELISA: 1:20,000 - 1:100,000, IHC: 1:1,000 - 1:5,000, WB: 1:2,000 - 1:10,000                                                                                                                                                                                  |
| Anwendungsbeschreibung | Anti-Human IgG (H&L) Biotin Conjugated Antibody has been tested by ELISA and is assayed against 1.0 ug of Human IgG in a standard capture ELISA using Peroxidase Conjugated Streptavidin S000-03 and ABTS (2,2-azino-bis-[3-ethylbenthiazoline-6-sulfonic ac |
