| Artikelname              | PathPlus(TM) Monoclonal Mouse anti-Human ALDH1A1 / ALDH1 Antibody (clone 1G6, IHC, WB) LS-B6003                                        |
| Artikelnummer            | LS-B6003-50                                                                                                                            |
| Hersteller Artikelnummer | LS-B6003-50                                                                                                                            |
| Alternativnummer         | LS-B6003-50                                                                                                                            |
| Hersteller               | LifeSpan Biosciences                                                                                                                   |
| Wirt                     | Mouse                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | ELISA, IHC-P, IP, WB                                                                                                                   |
| Spezies Reaktivität      | Human                                                                                                                                  |
| Immunogen                | ALDH1A1 (AAH01505, 1 aa ~ 502 aa) full-length recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.                     |
| Konjugation              | Unconjugated                                                                                                                           |
| Produktbeschreibung      | ALDH1 antibody LS-B6003 is an unconjugated mouse monoclonal antibody to human ALDH1 (ALDH1A1). Validated for ELISA, IHC, IP and WB.... |
| Klonalität               | Monoclonal                                                                                                                             |
| Konzentration            | 1 mg/ml                                                                                                                                |
| Klon-Bezeichnung         | [1G6]                                                                                                                                  |

|                        |                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">216</a>                                                                                                                                          |
| Puffer                 | PBS, pH 7.4                                                                                                                                                  |
| Reinheit               | Purified from ascites by Protein A                                                                                                                           |
| Formulierung           | PBS, pH 7.4                                                                                                                                                  |
| Application Verdünnung | ELISA, IHC-P (5 µg/ml), IP, WB (1:500 - 1:1000)                                                                                                              |
| Anwendungsbeschreibung | Immunohistochemistry: Formalin-fixed paraffin-embedded sections. Sandwich ELISA: Recombinant protein. Western Blot: Transfected lysate, Recombinant protein. |
