### LAMTOR5 Rabbit pAb, Unconjugated, Polyclonal MBL-CNA2606S

|                          |                                                                                                                     |
|--------------------------|---------------------------------------------------------------------------------------------------------------------|
| Artikelname              | LAMTOR5 Rabbit pAb, Unconjugated, Polyclonal                                                                        |
| Artikelnummer            | MBL-CNA2606S                                                                                                        |
| Hersteller Artikelnummer | CNA2606S                                                                                                            |
| Alternativnummer         | MBL-CNA2606S                                                                                                        |
| Hersteller               | MBL                                                                                                                 |
| Wirt                     | Rabbit                                                                                                              |
| Kategorie                | Antikörper                                                                                                          |
| Applikation              | ICC, IF, WB                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                   |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 1-173 of human LAMTOR5 (NP_006393.2). |
| Konjugation              | Unconjugated                                                                                                        |
| Klonalität               | Polyclonal                                                                                                          |
| Molekulargewicht         | 10kDa                                                                                                               |
| Puffer                   | PBS with 0.02% sodium azide,50% glycerol                                                                            |
| Quelle                   | Rabbit                                                                                                              |
| Reinheit                 | Affinity purification                                                                                               |
| Formulierung             | PBS with 0.02% sodium azide,50% glycerol                                                                            |

|                        |                                                                                                                                                                                         |
