| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant fragment (around aa3-92) of human S100B protein (exact sequence is proprietary)                                                                                                                                                                   |
| Produktbeschreibung      | S100 belongs to the family of calcium binding proteins. S100A and S100B proteins are two members of the S100 family. S100A is composed of an alpha and a beta chain whereas S100B is composed of two beta chains. This antibody is specific against an epi... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [S100B/4140]                                                                                                                                                                                                                                                  |
| Molekulargewicht         | 10-12kDa                                                                                                                                                                                                                                                      |

|              |                                                                                                                                                                        |
