| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant fragment (around aa500-697) of human SIGLEC10 protein (exact sequence is proprietary)                                                                                                                                                             |
| Produktbeschreibung      | Siglec-10 (sialic acid-binding Ig-like lectin 10) is a 697 amino acid protein belonging to the immunoglobulin superfamily. The N-terminal Ig-like domain of Siglec-10 contains a sialic acid-binding site and the C-terminal cytoplasmic region of Siglec-... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [SIGLEC10/7581]                                                                                                                                                                                                                                               |
| Molekulargewicht         | 77kDa                                                                                                                                                                                                                                                         |
| Isotyp                   | IgG2                                                                                                                                                                                                                                                          |

|              |                                                                                                                                                                        |
