| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FC, IF, IHC, WB                                                                                                                                                                                                                                               |
| Spezies Reaktivität      | Bovine, Human, Monkey, Porcine, Sheep                                                                                                                                                                                                                         |
| Immunogen                | Cytoskeleton preparation from HeLa cells                                                                                                                                                                                                                      |
| Produktbeschreibung      | Cytokeratin 8 (CK8) belongs to the type II (or B or basic) subfamily of high molecular weight cytokeratins and exists in combination with cytokeratin 18 (CK18). This MAb recognizes all simple epithelia including glandular epithelium, for example thyr... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [C-51]                                                                                                                                                                                                                                                        |
| Molekulargewicht         | 52.5kDa (CK8), 45kDa (CK18)                                                                                                                                                                                                                                   |
| Isotyp                   | IgG1                                                                                                                                                                                                                                                          |
