## Product Datasheet

### Anti-RCAS1 (Human) mAb, IgM, Clone: [22-1-1], Unconjugated, Mouse, Monoclonal MBL-D060-3

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| Artikelname              | Anti-RCAS1 (Human) mAb, IgM, Clone: [22-1-1], Unconjugated, Mouse, Monoclonal |
| Artikelnummer            | MBL-D060-3                                                                    |
| Hersteller Artikelnummer | D060-3                                                                        |
| Alternativnummer         | MBL-D060-3                                                                    |
| Hersteller               | MBL                                                                           |
| Wirt                     | Mouse                                                                         |
| Kategorie                | Antikörper                                                                    |
| Applikation              | FC, IH                                                                        |
| Spezies Reaktivität      | Human                                                                         |
| Immunogen                | Human uterine cervical adenocarcinoma cells                                   |
| Konjugation              | Unconjugated                                                                  |
| Produktbeschreibung      | Anti-RCAS1 (Human) mAb, Clone: [22-1-1], Mouse, Monoclonal...                 |
| Klonalität               | Monoclonal                                                                    |
| Konzentration            | 1 mg/mL                                                                       |
| Klon-Bezeichnung         | [22-1-1]                                                                      |
| Isotyp                   | IgM                                                                           |
| NCBI                     | <a href="#">9166</a>                                                          |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 1 mg/mL in PBS/50% glycerol, pH 7.2                                                                                                                                                                                                                            |
| Quelle                 | This antibody was purified from hybridoma (clone 22 - 1 - 1) supernatant using protein L agarose . This hybridoma was established by fusion of mouse myeloma cell x63. Ag8.653 with Balb/c mouse splen ocyte immunized with human uterine cervical adenocarcin |
| Target-Kategorie       | RCAS1                                                                                                                                                                                                                                                          |
| Application Verdünnung | IP: Reference 1-3 and 5-7. FCM: 1-5 ug/mL (final concentration). IHC: 1-5 ug/mL                                                                                                                                                                                |
