## Product Datasheet

### Anti-Caspase-3 (Human) mAb, IgG1, Clone: [1F9], Unconjugated, Mouse, Monoclonal MBL-M087-3

|                          |                                                                                 |
|--------------------------|---------------------------------------------------------------------------------|
| Artikelname              | Anti-Caspase-3 (Human) mAb, IgG1, Clone: [1F9], Unconjugated, Mouse, Monoclonal |
| Artikelnummer            | MBL-M087-3                                                                      |
| Hersteller Artikelnummer | M087-3                                                                          |
| Alternativnummer         | MBL-M087-3                                                                      |
| Hersteller               | MBL                                                                             |
| Wirt                     | Mouse                                                                           |
| Kategorie                | Antikörper                                                                      |
| Applikation              | IH, WB                                                                          |
| Spezies Reaktivität      | Human                                                                           |
| Immunogen                | Recombinant Human caspase-3                                                     |
| Konjugation              | Unconjugated                                                                    |
| Produktbeschreibung      | Anti-Caspase-3 (Human) mAb, IgG1, Clone: [1F9], Mouse, Monoclonal...            |
| Klonalität               | Monoclonal                                                                      |
| Konzentration            | 1 mg/mL                                                                         |
| Klon-Bezeichnung         | [1F9]                                                                           |
| Isotyp                   | IgG1                                                                            |

|                        |                                                                                                                                                                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">836</a>                                                                                                                                                                                                                     |
| Puffer                 | 1 mg/mL in PBS/50% glycerol, pH 7.2                                                                                                                                                                                                     |
| Quelle                 | This antibody was purified from hybridoma (clone 1F9) supernatant using protein A agarose. This hybridoma was established by fusion of mouse myeloma cell P3U1 with Balb/c mouse splenocyte immunized with human recombinant caspase 3. |
| Target-Kategorie       | Caspase-3                                                                                                                                                                                                                               |
| Application Verdünnung | WB: 1 µg/mL (chemiluminescence detection system). IHC: 10 µg/mL                                                                                                                                                                         |
