## Product Datasheet

### Anti-GABARAP pAb, Clone: [Polyclonal], Unconjugated, Rabbit MBL-PM037

|                          |                                                                 |
|--------------------------|-----------------------------------------------------------------|
| Artikelname              | Anti-GABARAP pAb, Clone: [Polyclonal], Unconjugated, Rabbit     |
| Artikelnummer            | MBL-PM037                                                       |
| Hersteller Artikelnummer | PM037                                                           |
| Alternativnummer         | MBL-PM037                                                       |
| Hersteller               | MBL                                                             |
| Wirt                     | Rabbit                                                          |
| Kategorie                | Antikörper                                                      |
| Applikation              | WB                                                              |
| Spezies Reaktivität      | Hamster, Human, Mouse, Rat                                      |
| Immunogen                | Carrier protein conjugated GABARAP N-terminal synthetic peptide |
| Konjugation              | Unconjugated                                                    |
| Produktbeschreibung      | Anti-GABARAP pAb, Rabbit, Polyclonal...                         |
| Klonalität               | Polyclonal                                                      |
| Klon-Bezeichnung         | [Polyclonal]                                                    |
| Isotyp                   | IgG                                                             |
| NCBI                     | <a href="#">11337</a>                                           |
| Puffer                   | PBS/50% glycerol, pH 7.2                                        |

|                        |                                                                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Quelle                 | This antibody was purified from rabbit serum using affinity column.<br>The rabbit was immunized with carrier protein conjugated synthetic peptide at the N-terminus region of GABARAP. |
| Target-Kategorie       | GABARAP                                                                                                                                                                                |
| Application Verdünnung | WB: 1:1000 (chemiluminescence detection system). ICC: 1:100                                                                                                                            |
