| Produktbeschreibung      | The lethal (2) giant larvae protein of Drosophila plays a role in asymmetric cell division, epithelial cell polarity, and cell migration. This human gene encodes a protein similar to lethal (2) giant larvae of Drosophila. In fly, the proteins ability... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |

|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung     | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |
| Target-Kategorie | This LLGL1/2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 624-653 amino acids from the Central region of human LLGL1/2.      |
