| Alternativnummer         | ABT-AP18784C-EV-80UL                                                                                                                                                         |
| Hersteller               | Abcepta                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                   |
| Applikation              | WB                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                        |
| Produktbeschreibung      | The function of this protein remains unknown....                                                                                                                             |
| Klonalität               | Polyclonal                                                                                                                                                                   |
| Klon-Bezeichnung         | [RB38857]                                                                                                                                                                    |
| Molekulargewicht         | 52628                                                                                                                                                                        |
| NCBI                     | <a href="#">730249</a>                                                                                                                                                       |
| UniProt                  | <a href="#">A6NK06</a>                                                                                                                                                       |
| Formulierung             | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |

|                  |                                                                                                                                                                   |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie | This IRG1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 306-332 amino acids from the Central region of human IRG1. |
