## Product Datasheet

### **Heregulin-1 / Neuregulin-1 (Breast and Urothelial Marker)(NRG1/2710), 0.2mg/mL, Clone: [NRG1/2710], Mouse, Monoclonal BOT-BNUB2710-500**

|                          |                                                                                                                                                                                                                                                               |

| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant fragment of human Neuregulin-1 (NRG1) protein (around aa 21-242) (exact sequence is proprietary)                                                                                                                                                  |
| Produktbeschreibung      | Heregulin-1 is a membrane glycoprotein that mediates cell-cell signaling and plays a critical role in the growth and development of multiple organ systems. An extraordinary variety of different isoforms are produced from this gene through alternative... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.2 mg/mL                                                                                                                                                                                                                                                     |
| Klon-Bezeichnung         | [NRG1/2710]                                                                                                                                                                                                                                                   |
