| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant human full-length Replication protein A2 (RPA2) protein                                                                                                                                                                                           |
| Produktbeschreibung      | Recognizes a protein of 34 kDa, identified as a subunit of Replication Protein A (RPA) (also known as human single-stranded DNA binding protein, or HSSB). RPA from human cells is a stable heterotrimer of 70 kDa, 32-34 kDa, and 11-14 kDa subunits (RPA... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.2 mg/mL                                                                                                                                                                                                                                                     |
| Klon-Bezeichnung         | [RPA2/3140R]                                                                                                                                                                                                                                                  |
| Molekulargewicht         | 32-34 kDa                                                                                                                                                                                                                                                     |

|                        |                                                                                           |
