| Immunogen                | Human PMN cells                                                                                                                                                                                                                                               |
| Konjugation              | CF405M                                                                                                                                                                                                                                                        |
| Produktbeschreibung      | CD16 (clone 3G8) is a mouse monoclonal antibody that recognizes the human protein CD16 (FCgRIII). CD16 is a common marker of NK cells. This CF405M antibody conjugate has been validated in flow cytometry. It is supplied at 5 uL/test, with sufficient a... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 100 ug/mL                                                                                                                                                                                                                                                     |
| Klon-Bezeichnung         | [3G8]                                                                                                                                                                                                                                                         |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| Molekulargewicht       | 29 kDa (predicted), 50-65 kDa (observed)                                    |
| UniProt                | <a href="#">P08637</a>                                                      |
| Puffer                 | PBS, 0.1% BSA, 0.05% azide                                                  |
| Quelle                 | Animal                                                                      |
| Anwendungsbeschreibung | Recommended concentration for flow cytometry: 5 uL per million cells/0.1 mL |
