| Applikation              | ELISA, WB                                                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                                           |
| Immunogen                | Synthesized peptide derived from ARHGAP12 . at AA range: 310-390                                                                                                                                                                                                            |
| Produktbeschreibung      | <p>This gene encodes a member of a large family of proteins that activate Rho-type guanosine triphosphate (GTP) metabolizing enzymes. The encoded protein may be involved in suppressing tumor formation by regulating cell invasion and adhesion.</p> <p>Alternativ...</p> |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                                  |
| UniProt                  | <a href="#">Q8IWW6</a>                                                                                                                                                                                                                                                      |
| Quelle                   | Polyclonal, Rabbit IgG                                                                                                                                                                                                                                                      |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                                                       |

|                        |                                                                          |
|------------------------|--------------------------------------------------------------------------|
| Formulierung           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.  |
| Application Verdünnung | WB 1:500 - 1:2000. ELISA: 1:40000. Not yet tested in other applications. |
