| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                | Synthesized peptide derived from human DAPK1 (Phospho Ser289)                                                                                                                                                                                                 |
| Produktbeschreibung      | death associated protein kinase 1(DAPK1) Homo sapiens Death-associated protein kinase 1 is a positive mediator of gamma-interferon induced programmed cell death. DAPK1 encodes a structurally unique 160-kD calmodulin dependent serine-threonine kinase ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P53355</a>                                                                                                                                                                                                                                        |
| Quelle                   | Rabbit,polyclonal                                                                                                                                                                                                                                             |
| Reinheit                 | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.                                                                                                                                                     |

|                        |                                                                |
|------------------------|----------------------------------------------------------------|
| Formulierung           | Liquid in PBS containing 50% glycerol, and 0.02% sodium azide. |
| Application Verdünnung | WB 1:500-2000 IHC 1:50-200                                     |
