| Immunogen                | Synthesized peptide derived from human SHC1 (Phospho Tyr349+Tyr350)                                                                                                                                                                                           |
| Produktbeschreibung      | SHC adaptor protein 1(SHC1) Homo sapiens This gene encodes three main isoforms that differ in activities and subcellular location. While all three are adapter proteins in signal transduction pathways, the longest (p66Shc) may be involved in regulatin... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P29353</a>                                                                                                                                                                                                                                        |
| Quelle                   | Rabbit,polyclonal                                                                                                                                                                                                                                             |
| Reinheit                 | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.                                                                                                                                                     |

|                        |                                                                |
|------------------------|----------------------------------------------------------------|
| Formulierung           | Liquid in PBS containing 50% glycerol, and 0.02% sodium azide. |
| Application Verdünnung | WB 1:500-2000 IHC 1:50-200                                     |
