## Product Datasheet

### GPR158 Antibody, Rabbit, Polyclonal AST-G307

|                          |                                                                                                                       |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Artikelname              | GPR158 Antibody, Rabbit, Polyclonal                                                                                   |
| Artikelnummer            | AST-G307                                                                                                              |
| Hersteller Artikelnummer | G307                                                                                                                  |
| Alternativnummer         | AST-G307-100,AST-G307-50                                                                                              |
| Hersteller               | Assay Biotechnology                                                                                                   |
| Wirt                     | Rabbit                                                                                                                |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | ELISA, IF, IHC, WB                                                                                                    |
| Spezies Reaktivität      | Human, Mouse                                                                                                          |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human GPR158. AA range:1-50                       |
| Produktbeschreibung      | function:Orphan receptor.,similarity:Belongs to the G-protein coupled receptor 3 family.,....                         |
| Klonalität               | Polyclonal                                                                                                            |
| UniProt                  | <a href="#">Q5T848</a>                                                                                                |
| Quelle                   | Polyclonal, Rabbit IgG                                                                                                |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |

|                        |                                                                                                               |
|------------------------|---------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                       |
| Application Verdünnung | WB 1:500 - 1:2000. IHC 1:100 - 1:300. IF 1:200 - 1:1000. ELISA: 1:5000. Not yet tested in other applications. |
