### Anti-NEK1 ATA-HPA020873

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-NEK1                                                          |
| Artikelnummer            | ATA-HPA020873                                                      |
| Hersteller Artikelnummer | HPA020873                                                          |
| Alternativnummer         | ATA-HPA020873-100,ATA-HPA020873-25                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | IHC                                                                |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | NIMA-related kinase 1...                                           |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.7 mg/ml                                                          |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">4750</a>                                               |
| UniProt                  | <a href="#">Q96PY6</a>                                             |

|                        |                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                                                                                  |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                                                                                                 |
