| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Prokaryotic Mouse Vascular Endothelial Growth Factor 145 is a purified Prokaryotic Protein. Purity: >97% by SDS-PAGE. Host: E. coli. Endotoxin Level: <1.0EU per 1ug, by the LAL method. Species: Mouse (Mus musculus). Target Name: Vascular Endothelial ... |
| Tag                      | N-Terminal His Tag                                                                                                                                                                                                                                            |
| NCBI                     | <a href="#">22339</a>                                                                                                                                                                                                                                         |
| Puffer                   | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                                                                                                                                                                       |

|                   |                                        |
|-------------------|----------------------------------------|
| Expression System | Prokaryotic expression                 |
| Reinheit          | >97% by SDS-PAGE                       |
| Formulierung      | Freeze-dried powder                    |
| Target-Kategorie  | Vascular Endothelial Growth Factor 145 |
