| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Guinea pig                                                                                                                                                                                                                                                    |
| Produktbeschreibung      | This GENLISA Guinea Pig Tissue Inhibitors of Metalloproteinase 1 (TIMP-1 / TIMP1) ELISA Enzyme Immunoassay for the estimation of Guinea Pig Regulated On Activation In Normal T-Cell Expressed And Secreted (RANTES) in serum, plasma, tissue homogenates,... |
| Detektionsbereich        | 4.688 - 300 pg/ml                                                                                                                                                                                                                                             |
| Sensitivitaet            | 2.813 pg/ml                                                                                                                                                                                                                                                   |
| Proben                   | Serum, plasma and tissue homogenates. For other matrices, please connect with our technical team                                                                                                                                                              |
