| Kategorie                | Proteine/Peptide                                                                                                                                                                                                     |
| Spezies Reaktivität      | Virus                                                                                                                                                                                                                |
| Molekulargewicht         | calculated_mw: 76 kDa. observed_mw: 106.3 kDa                                                                                                                                                                        |
| Tag                      | C-His                                                                                                                                                                                                                |
| NCBI                     | <a href="#">009724390</a>                                                                                                                                                                                            |
| Expression System        | HEK293 Cells                                                                                                                                                                                                         |
| Reinheit                 | > 90 % as determined by reducing SDS-PAGE.                                                                                                                                                                           |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4. Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization. Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Met1-Arg685                                                                                                                                                                                                          |
