## Product Datasheet

**VCX3A (Variable Charge X-linked Protein 3, VCX3, Variable Charge Protein on X with Eight Repeats, VCX8R, VCX-8r, Variably Charged Protein X-A, VCXA, VCX-A) (Biotin), Clone: [6A3], Mouse, Monoclonal MBS6145129-5X0.1**

|                          |                                                                                                                                                                                                       |

| Hersteller               | MyBiosource                                                                                                                                                                                           |
| Wirt                     | Mouse                                                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                                                            |
| Klonalität               | Monoclonal                                                                                                                                                                                            |
| Klon-Bezeichnung         | [6A3]                                                                                                                                                                                                 |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                        |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Biotin.                                                                                                                      |
