| Artikelname              | Cdc20, FITC, Rabbit, Polyclonal                                                                                                                                       |
| Artikelnummer            | NBS-ABB-ORLXQN-100                                                                                                                                                    |
| Hersteller Artikelnummer | ABB-ORLXQN-100                                                                                                                                                        |
| Alternativnummer         | NBS-ABB-ORLXQN-100                                                                                                                                                    |
| Hersteller               | Nordic BioSite                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                            |
| Applikation              | FC                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                     |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human Cdc20, which shares 98.1% amino acid (aa) sequence identity with both mouse and rat Cdc20. |
| Konjugation              | FITC                                                                                                                                                                  |
| Produktbeschreibung      | Anti-Cdc20 Antibody . Tested in Flow Cytometry, IF, IHC, IHC-F, ICC, WB applications. This antibody reacts with Human, Mouse, Rat....                                 |
| Klonalität               | Polyclonal                                                                                                                                                            |
| Konzentration            | 500 ug/ml                                                                                                                                                             |
| NCBI                     | <a href="#">991</a>                                                                                                                                                   |
| UniProt                  | <a href="#">Q12834</a>                                                                                                                                                |

|                  |                  |
