## Product Datasheet

### **RecombiMAb anti-mouse VEGFR-2, Clone: [DC101-CP132], Mouse, Recombinant BXC-CP132**

|                          |                                                                           |
|--------------------------|---------------------------------------------------------------------------|
| Artikelname              | RecombiMAb anti-mouse VEGFR-2, Clone: [DC101-CP132], Mouse, Recombinant   |
| Artikelnummer            | BXC-CP132                                                                 |
| Hersteller Artikelnummer | CP132                                                                     |
| Alternativnummer         | BXC-CP132-1MG,BXC-CP132-5MG,BXC-CP132-25MG,BXC-CP132-50MG,BXC-CP132-100MG |
| Hersteller               | Bio X Cell                                                                |
| Wirt                     | Mouse                                                                     |
| Kategorie                | Antikörper                                                                |
| Spezies Reaktivität      | Mouse                                                                     |
| Immunogen                | Mouse VEGFR-2-SEAPs soluble receptor                                      |
| Klonalität               | Recombinant                                                               |
| Konzentration            | Lot specific,typically between 4-11 mg/ml                                 |
| Klon-Bezeichnung         | [DC101-CP132]                                                             |
| Molekulargewicht         | 150 kDa                                                                   |
| Reinheit                 | 95% , Determined by SDS-PAGE                                              |
| Formel                   | PBS, pH 7.0, Contains no stabilizers or preservatives                     |
| Target-Kategorie         | VEGFR-2                                                                   |

|                        |                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | in vivo blocking of VEGF/VEGFR-2 signaling*, in vitro blocking of VEGFR signaling*, Western blot*, *Reported for the original rat IgG1 DC101 antibody |
