## Product Datasheet

### **RecombiMAb anti-mouse PD-1 (CD279), Clone: [29F.1A12(TM)-CP178], Mouse, Monoclonal BXC-CP178**

|                          |                                                                                    |
|--------------------------|------------------------------------------------------------------------------------|
| Artikelname              | RecombiMAb anti-mouse PD-1 (CD279), Clone: [29F.1A12(TM)-CP178], Mouse, Monoclonal |
| Artikelnummer            | BXC-CP178                                                                          |
| Hersteller Artikelnummer | CP178                                                                              |
| Alternativnummer         | BXC-CP178-1MG,BXC-CP178-5MG,BXC-CP178-25MG,BXC-CP178-50MG,BXC-CP178-100MG          |
| Hersteller               | Bio X Cell                                                                         |
| Wirt                     | Mouse                                                                              |
| Kategorie                | Antikörper                                                                         |
| Spezies Reaktivität      | Mouse                                                                              |
| Immunogen                | Recombinant PD-1-Ig fusion protein                                                 |
| Klonalität               | Monoclonal                                                                         |
| Konzentration            | Lot specific,typically between 4-11 mg/ml                                          |
| Klon-Bezeichnung         | [29F.1A12(TM)-CP178]                                                               |
| Molekulargewicht         | 150 kDa                                                                            |
| Puffer                   | PBS, pH 7.0, Contains no stabilizers or preservatives,                             |
| Reinheit                 | 95% , Determined by SDS-PAGE                                                       |
| Formulierung             | Liquid                                                                             |

|                        |                                                                                                                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formel                 | PBS, pH 7.0, Contains no stabilizers or preservatives,                                                                                                                                                                       |
| Target-Kategorie       | PD-1                                                                                                                                                                                                                         |
| Anwendungsbeschreibung | in vivo blocking of PD-1/PD-L signaling* , in vitro PD-1 neutralization* , Immunohistochemistry (frozen)* , Immunofluorescence* , Western blot* , Flow cytometry* , *Reported for the original rat IgG2a 29F.1A12 antibody , |
