| Hersteller Artikelnummer | HY-P704470                                                                                                                                                                                                                                                    |
| Alternativnummer         | MCE-HY-P704470-100UG                                                                                                                                                                                                                                          |
| Hersteller               | MedchemExpress                                                                                                                                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Produktbeschreibung      | The CD39 protein is an important regulator in the nervous system, coordinating purinergic neurotransmission by hydrolyzing ATP and other nucleotides. Its enzymatic ability can hydrolyze platelet-activated ADP into AMP, thereby effectively preventing ... |
| Molekulargewicht         | Approximately 60-70 kDa, based on SDS-PAGE under reducing conditions, due to the glycosylation.                                                                                                                                                               |
| Formel                   | 953(Gene_ID)P49961 (T38-V478, Q96A, N99A, E143A, R147E)(Accession)                                                                                                                                                                                            |
| Anwendungsbeschreibung   | MCE Product type: Recombinant Proteins                                                                                                                                                                                                                        |
