| Hersteller Artikelnummer | HY-P704474                                                                                                                                                                                                                                                    |
| Alternativnummer         | MCE-HY-P704474-100UG                                                                                                                                                                                                                                          |
| Hersteller               | MedchemExpress                                                                                                                                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Produktbeschreibung      | CD40L/CD154/TRAP proteins stimulate T cell proliferation and cytokine production, acting as ligands for integrins and CD40 receptors to activate various cell-dependent effects such as B cell activation and NF-kappa-B signaling. CD40L/CD154/TRAP Trime... |
| Molekulargewicht         | Approximately 78-84 kDa, based on SDS-PAGE under reducing conditions, due to the glycosylation.                                                                                                                                                               |
| Formel                   | 959(Gene_ID)P29965 (G116-L261)(Accession)                                                                                                                                                                                                                     |
| Anwendungsbeschreibung   | MCE Product type: Recombinant Proteins                                                                                                                                                                                                                        |
