| Artikelname              | UCL5IP Rabbit Monoclonal Antibody, Unconjugated                                                                                                        |
| Artikelnummer            | EKL-AMRE84076                                                                                                                                          |
| Hersteller Artikelnummer | AMRe84076                                                                                                                                              |
| Alternativnummer         | EKL-AMRE84076-50UL,EKL-AMRE84076-100UL                                                                                                                 |
| Hersteller               | EnkiLife                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                             |
| Applikation              | WB                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                  |
| Konjugation              | Unconjugated                                                                                                                                           |
| Produktbeschreibung      | Contributes to mitotic spindle assembly, maintenance of centrosome integrity and completion of cytokinesis as part of the HAUS augmin-like complex.... |
| Klonalität               | Monoclonal                                                                                                                                             |
| Molekulargewicht         | Calculated MW: 40 kDa , Observed MW: 37 kDa                                                                                                            |
| UniProt                  | <a href="#">Q99871</a>                                                                                                                                 |
| Puffer                   | Purified antibody in PBS with 0.05% sodium azide,0.05% BSA and 50% glycerol.                                                                           |
| Reinheit                 | Affinity Purification                                                                                                                                  |

|                        |                  |
|------------------------|------------------|
| Formulierung           | Liquid           |
| Target-Kategorie       | UCHL5IP          |
| Application Verdünnung | WB 1:1000-1:2000 |
