| Kategorie                | Antikörper                                                                                                                                                                                  |
| Applikation              | WB                                                                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                           |
| Konjugation              | Unconjugated                                                                                                                                                                                |
| Produktbeschreibung      | Chromatin-associated factor that regulates transcription.Regulates Pol I-mediated rRNA biogenesis and, probably, Pol III-mediated transcription.Regulates the epigenetic status of rDNA.... |
| Klonalität               | Monoclonal                                                                                                                                                                                  |
| Molekulargewicht         | Calculated MW: 56 kDa , Observed MW: 75 kDa                                                                                                                                                 |
| UniProt                  | <a href="#">Q13610</a>                                                                                                                                                                      |
| Puffer                   | Purified antibody in PBS with 0.05% sodium azide,0.05% BSA and 50% glycerol.                                                                                                                |
| Reinheit                 | Affinity Purification                                                                                                                                                                       |

|                        |                  |
|------------------------|------------------|
| Formulierung           | Liquid           |
| Target-Kategorie       | PWP1             |
| Application Verdünnung | WB 1:1000-1:2000 |
