| Wirt                     | Mouse                                                                                                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                             |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                                  |
| Immunogen                | Recombinant fragment (around aa1-150) of human HLAE protein<br>(exact sequence is proprietary)                                                                                                                                                                         |
| Produktbeschreibung      | HLA-E Antibody (3H2679) is an IgG1+ mouse monoclonal HLA-E<br>antibody (also designated HLA major histocompatibility complex,<br>class I, E antibody, human leukocyte antigen (HLA) E antibody, 45<br>kDa transmembrane class I human leukocyte antigen E antibody,... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                             |
| Klon-Bezeichnung         | [HLAE/13125]                                                                                                                                                                                                                                                           |
| Isotyp                   | IgG2                                                                                                                                                                                                                                                                   |

|              |                                                                                                                                                                        |
