| Artikelname              | DKK1 antibody, C-term, Unconjugated, Goat, Polyclonal                                                      |
| Artikelnummer            | GTX89683                                                                                                   |
| Hersteller Artikelnummer | GTX89683                                                                                                   |
| Alternativnummer         | GTX89683-100                                                                                               |
| Hersteller               | GeneTex                                                                                                    |
| Wirt                     | Goat                                                                                                       |
| Kategorie                | Antikörper                                                                                                 |
| Applikation              | FC, ICC, IHC-P, WB                                                                                         |
| Spezies Reaktivität      | Human                                                                                                      |
| Immunogen                | Peptide with sequence CDHHQASNSSLHT, from the C Terminus of the protein sequence according to NP_036374.1. |
| Konjugation              | Unconjugated                                                                                               |
| Klonalität               | Polyclonal                                                                                                 |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                |
| Molekulargewicht         | 29                                                                                                         |
| NCBI                     | <a href="#">22943</a>                                                                                      |
| UniProt                  | <a href="#">O94907</a>                                                                                     |
| Puffer                   | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                         |

|                        |                                                                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                    |
| Anwendungsbeschreibung | WB: 1-3µg/ml. IHC-P: 10µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
