## Product Datasheet

### ORC4L antibody, C-term, Unconjugated, Goat, Polyclonal GTX89991

|                          |                                                                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | ORC4L antibody, C-term, Unconjugated, Goat, Polyclonal                                                                                       |
| Artikelnummer            | GTX89991                                                                                                                                     |
| Hersteller Artikelnummer | GTX89991                                                                                                                                     |
| Alternativnummer         | GTX89991-100                                                                                                                                 |
| Hersteller               | GeneTex                                                                                                                                      |
| Wirt                     | Goat                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                   |
| Applikation              | WB                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                        |
| Immunogen                | Peptide with sequence C-DVRQWATSSLSWL, from the C Terminus of the protein sequence according to NP_002543.2, NP_001177810.1, NP_001177811.1. |
| Konjugation              | Unconjugated                                                                                                                                 |
| Klonalität               | Polyclonal                                                                                                                                   |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                                  |
| Molekulargewicht         | 50                                                                                                                                           |
| Sensitivitaet            | This antibody is expected to recognize all reported isoforms (NP_002543.2, NP_001177810.1, NP_001177811.1).                                  |

|                        |                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">5000</a>                                                                                                        |
| UniProt                | <a href="#">O43929</a>                                                                                                      |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                          |
| Formulierung           | Liquid                                                                                                                      |
| Anwendungsbeschreibung | WB: 0.3-1µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
