## Product Datasheet

### ORC6 antibody, C-term, Unconjugated, Goat, Polyclonal GTX89996

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | ORC6 antibody, C-term, Unconjugated, Goat, Polyclonal                                                       |
| Artikelnummer            | GTX89996                                                                                                    |
| Hersteller Artikelnummer | GTX89996                                                                                                    |
| Alternativnummer         | GTX89996-100                                                                                                |
| Hersteller               | GeneTex                                                                                                     |
| Wirt                     | Goat                                                                                                        |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | WB                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                       |
| Immunogen                | Peptide with sequence C-ENAASAQKATAE, from the C Terminus of the protein sequence according to NP_055136.1. |
| Konjugation              | Unconjugated                                                                                                |
| Klonalität               | Polyclonal                                                                                                  |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                 |
| Molekulargewicht         | 28                                                                                                          |
| NCBI                     | <a href="#">23594</a>                                                                                       |
| UniProt                  | <a href="#">Q9Y5N6</a>                                                                                      |
| Puffer                   | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                          |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                    |
| Anwendungsbeschreibung | WB: 1-3µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
