## Product Datasheet

### **ABflo 594 Rabbit anti-Human CD370/CLEC9A mAb, Monoclonal ABB-A25736**

|                          |                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | ABflo 594 Rabbit anti-Human CD370/CLEC9A mAb, Monoclonal                                                                                      |
| Artikelnummer            | ABB-A25736                                                                                                                                    |
| Hersteller Artikelnummer | A25736                                                                                                                                        |
| Alternativnummer         | ABB-A25736-5X100T,ABB-A25736-2X100T,ABB-A25736-100T                                                                                           |
| Hersteller               | ABclonal                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                    |
| Applikation              | FC                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                         |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive.                                                |
| Konjugation              | ABflo 594                                                                                                                                     |
| Produktbeschreibung      | CLEC9A is a group V C-type lectin-like receptor (CTLR) that functions as an activation receptor and is expressed on myeloid lineage cells.... |
| Klonalität               | Monoclonal                                                                                                                                    |
| Konzentration            | FC                                                                                                                                            |
| Molekulargewicht         | 27kDa                                                                                                                                         |
| NCBI                     | <a href="#">283420</a>                                                                                                                        |

|                        |                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q6UXN8</a>                                                                                             |
| Reinheit               | Affinity purification                                                                                              |
| Target-Kategorie       | CLEC9A                                                                                                             |
| Application Verdünnung | FC,5 µl per 10 <sup>6</sup> cells in 100 µl volume                                                                 |
| Anwendungsbeschreibung | Cross-Reactivity: Human. ResearchArea: Stem Cells, Hematopoietic Progenitors, Surface Molecules. Shipping: Ice Bag |
