| Hersteller               | ABclonal                                                                                                                                                                                     |
| Wirt                     | Mouse                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                   |
| Applikation              | FC                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                        |
| Immunogen                | Recombinant protein (or fragment). This information is considered to be commercially sensitive.                                                                                              |
| Konjugation              | APC                                                                                                                                                                                          |
| Produktbeschreibung      | Enables signaling receptor activity. Involved in T cell mediated cytotoxicity directed against tumor cell target and detection of tumor cell. Part of alpha-beta T cell receptor complex.... |
| Klonalität               | Monoclonal                                                                                                                                                                                   |
| Konzentration            | FC                                                                                                                                                                                           |
| Molekulargewicht         | 16kDa                                                                                                                                                                                        |
| NCBI                     | <a href="#">6955</a>                                                                                                                                                                         |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P01848</a>                                                                                                    |
| Reinheit               | Affinity purification                                                                                                     |
| Target-Kategorie       | TRA                                                                                                                       |
| Application Verdünnung | FC,5 µl per 10 <sup>6</sup> cells in 100 µl volume                                                                        |
| Anwendungsbeschreibung | Cross-Reactivity: Human. ResearchArea: Immunology<br>Inflammation,Stem Cells,Hematopoietic Progenitors. Shipping: Ice Bag |
