| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FC                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive.                                                                                                                                                                |
| Konjugation              | ABflo 594                                                                                                                                                                                                                                                     |
| Produktbeschreibung      | N-acetyltransferase 10 (NAT10) is a member of the Gcn5-related N-acetyltransferase (GNAT) family and it plays a crucial role in various cellular processes, such as regulation of cell mitosis, post-DNA damage response, autophagy and apoptosis regulati... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | FC (intra)                                                                                                                                                                                                                                                    |
| Molekulargewicht         | 116 kDa                                                                                                                                                                                                                                                       |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">55226</a>                                                                                                           |
| UniProt                | <a href="#">Q9H0A0</a>                                                                                                          |
| Reinheit               | Affinity purification                                                                                                           |
| Target-Kategorie       | NAT10                                                                                                                           |
| Application Verdünnung | FC (intra),5 µl per 10 <sup>6</sup> cells in 100 µl volume                                                                      |
| Anwendungsbeschreibung | Cross-Reactivity: Human. ResearchArea: Epigenetics, DNA Damage Repair, RNA Binding, Cell Biology ,Cell Cycle. Shipping: Ice Bag |
