| Hersteller Artikelnummer | F40105-0.4ML                                                                                                                                                                                                                                 |
| Alternativnummer         | NSJ-F40105-0.4ML                                                                                                                                                                                                                             |
| Hersteller               | NSJ Bioreagents                                                                                                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                   |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                 |
| Immunogen                | A portion of amino acids 359-388 from the human protein was used as the immunogen for this MRC1L1 antibody.                                                                                                                                  |
| Produktbeschreibung      | This gene encodes a type I membrane receptor protein highly related to the mannose receptor C type 1 protein (MRC1). The two genes are located near each other on chromosome 10 in a region thought to represent a segmental duplication.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                   |
| UniProt                  | <a href="#">P22897</a>                                                                                                                                                                                                                       |
| Reinheit                 | Antigen affinity                                                                                                                                                                                                                             |

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Formulierung           | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                            |
| Antibody Type          | Primary Antibody                                                                                                      |
| Application Verdünnung | Western blot: 1:1000                                                                                                  |
| Anwendungsbeschreibung | Titration of the MRC1L1 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
