| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Bovine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Sheep                                                                                                                                                                                                  |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human HSP90AA1                                                                                                                                                                 |
| Produktbeschreibung      | HSP90 proteins are highly conserved molecular chaperones that have key roles in signal transduction, protein folding, protein degradation, and morphologic evolution. HSP90 proteins normally associate with other cochaperones and play important roles i... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 98kDa                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">3320</a>                                                                                                                                                                                                                                          |

|              |                                                                                                   |
